FARM PRODUCTIVITY

KPI #4 Measuring water use

Use the worksheet below to estimate your gross water use or water use per crop.

Crop (if applicable)	Date	Millilitres of water per dripper in five minutes	Drippers per line	Number of lines	Number of minutes the pump is running	Irrigation Water Used Litres
						0
						0
						0
						0
						0
						0
						0
						0
						0
						0

OR

Crop (if applicable)	Date	Drip tape rate per 100ft in ml	Length of drip tape in feet	Number of lines	Number of minutes the pump is running	Irrigation Water Used Litres
						0
						0
						0
						0
						0
						0
						0
